TO: New Born Lighthouse Pastors and Sunday School Superintendents

We bring you holy greetings in the precious name of our great God and Savior Jesus Christ. We certainly hope and pray that this letter finds everything going well with everyone.

This year's theme for Sunday School Day is, "Restoring the Joy of Salvation," The Theme scriptures are; Psalms 51:12, Jeremiah 6:16, Nehemiah 8:10, and Psalms 23:4. This year, I have several different assignments for the various age groups. The 3-6 are requested to recite the Fruit of the Spirit, 7-9 are asked to name the Gifts of the Spirit, with emphasis on which one they believe is important and why. The 10-12 are asked to write and recite a poem. This should be done entirely by the one reciting the poem.

This is our 30th year as an organization and I would like each person in the 13-17 age group to speak on one past leader that helped us get here and where future leaders will take us.

There will be one first and second place winner in each age group. Teachers from each class will make decisions based on the amount of time put in and the confidence displayed by each student.

We look forward to seeing you in Memphis. Please pray for the success of the Convocation and the Sunday School Department as a whole.
