Re: 2022 – 35th Annual International Holy Convocation

Greetings in the precious name of our Lord and Savior Jesus Christ. I hope and trust that you, your families, and Congregants are doing well during this difficult and challenging time that we are in.

After prayerful consideration and a discussion with our Board of Directors, due to the ongoing COVID 19 Pandemic crisis that we are still dealing with, especially with ever evolving variants which is still having a deadly worldwide impact; and with continuing mandates and restrictions still in place upon so many of us in this country and around the world, we will not be able to hold an in-person International Holy Convocation.

Although it saddens us to not be able to come together in person and enjoy the fellowship face to face, we look forward to a time when we will be able to come together again in person.

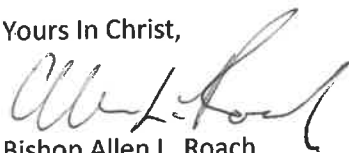

With this thought in mind, we are blessed and privileged that we have been given the technical means to hold our Convocation Virtually. We are currently putting plans in place to hold our 2022 Convocation during the week of June 26th through July 1st. We are looking forward to participation from all of our auxiliaries and congregations during this week. Although we are not able to gather in one physical location, our God is everywhere, "Whither shall I go from thy spirit? Or whither shall I flee from thy presence? (Psalms 139:7) More information will be forthcoming at a later date regarding this Virtual meeting.

Our plan is to also hold our 2022 Annual Youth Harvest virtually during Labor Day weekend. Please bear these events in mind when you are scheduling your calendars for 2022.

I would also like to remind you that our International Fasting/Consecration month is February. It is very important that we set aside the time to pray and consecrate as we seek God's guidance for the upcoming year. God is faithful and able to carry us through during these challenging times.

Let us continue to pray for all the hundreds of millions who have been affected by this deadly virus and also lift up the body of Christ and the world at-large. Let us remain vigilant and prayerful and remember that the Lord is in control and always with us, for He said, "...I will never leave thee, nor forsake thee." (Hebrews 13:5)

Yours In Christ,

Bishop Allen L. Roach
General Overseer
